

I'm so hungry...

and we have  
no food left

We are almost  
done, my dear-

EHEM!

The hubby and I never got the chance to personally thank you for saving the future of our species

And our marriage!

GASP

PHIL!

Anyway, we wanted to  
thank you both with this...

Some homemade marinara sauce!

A secret family recipe!

They kept it all this time?

They kept it all this time!

We can't thank y'all enough.  
Well, here you go-

Just my luck!

Phil!

Hey! I don't taste
